

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

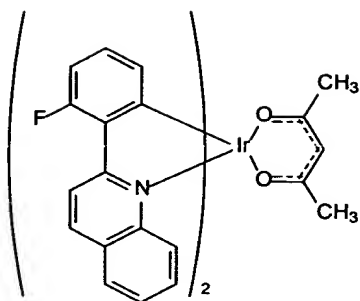

Listing of Claims:

Please cancel claims 1-141 without prejudice.

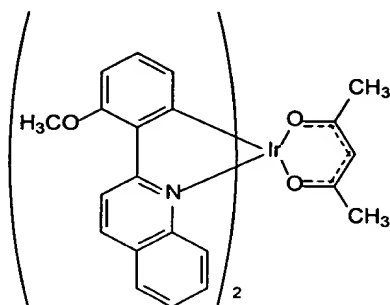

142. (new) A compound having the formula:

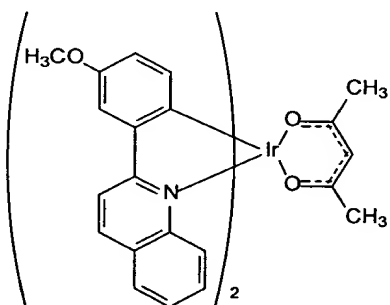

143. (new) The compound of claim 142 having the formula:

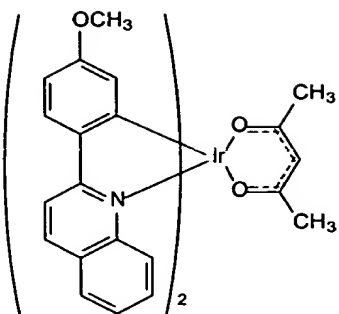

144. (new) The compound of claim 142 having the formula:

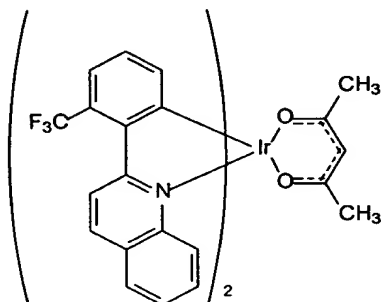

145. (new) The compound of claim 142 having the formula:

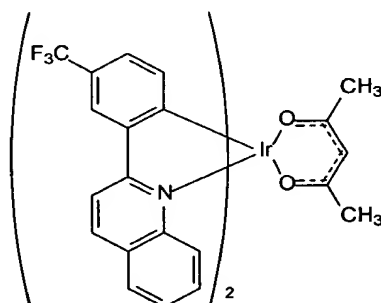

146. (new) The compound of claim 142 having the formula:

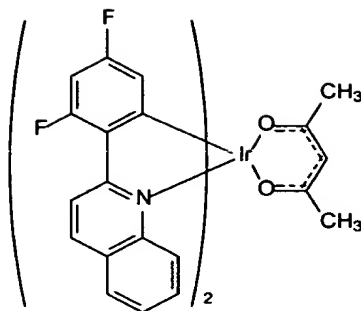

147. (new) The compound of claim 142 having the formula:

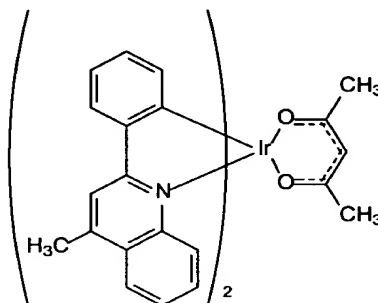

148. (new) The compound of claim 142 having the formula:

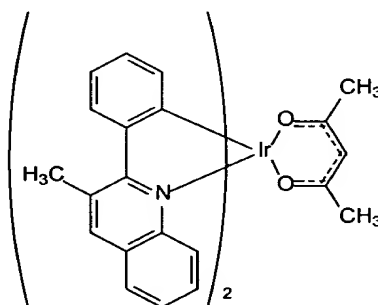

149. (new) The compound of claim 142 having the formula:

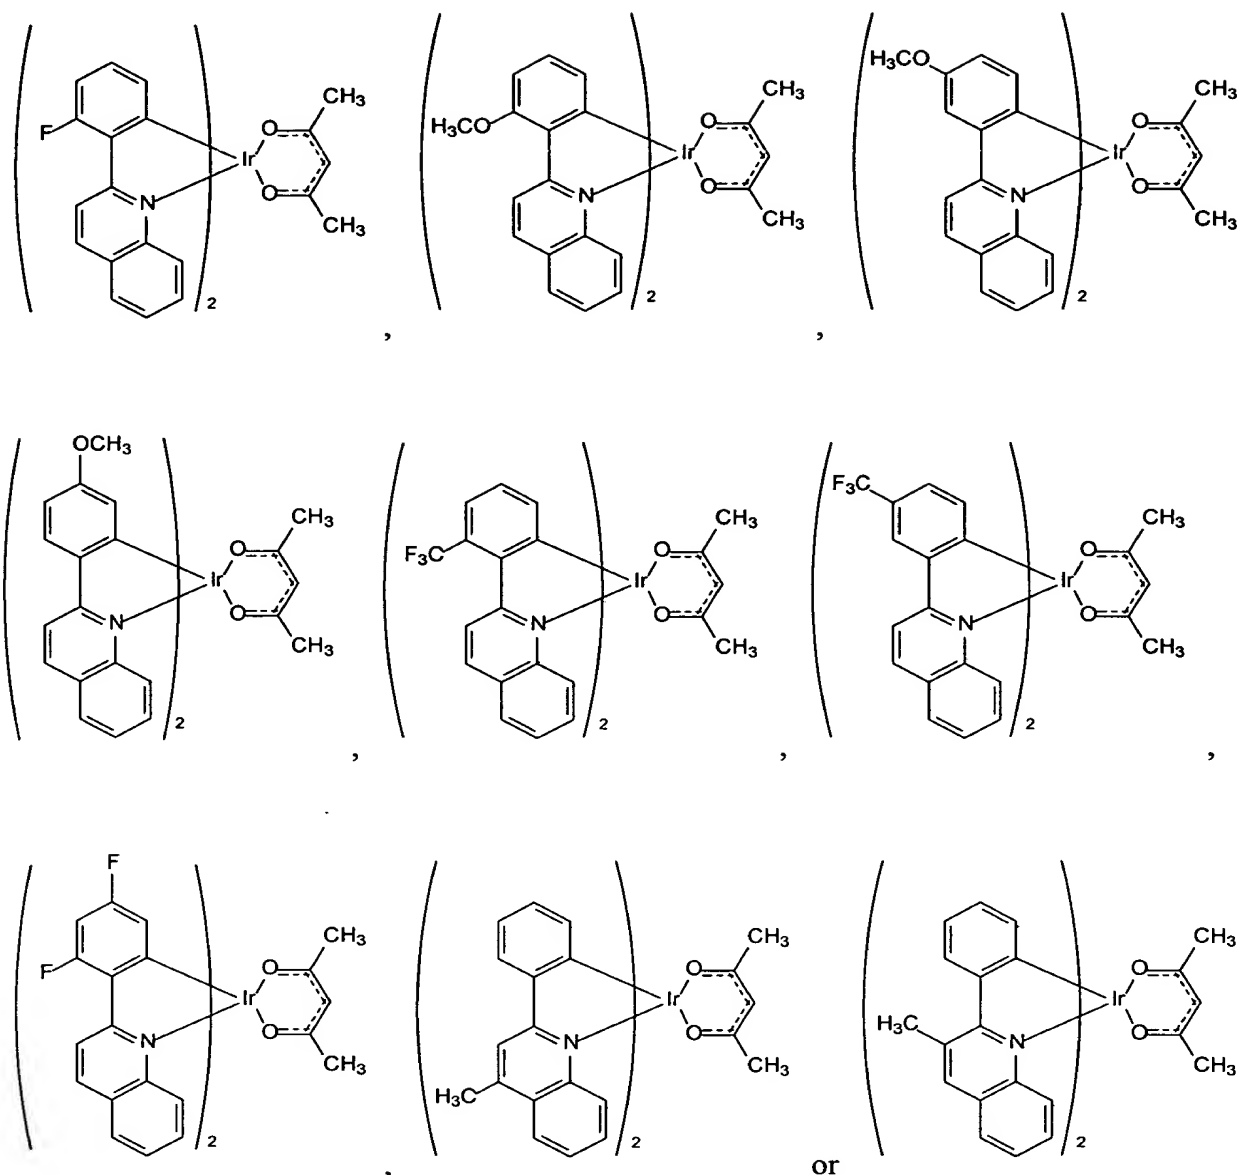

150. (new) The compound of claim 142 having the formula:

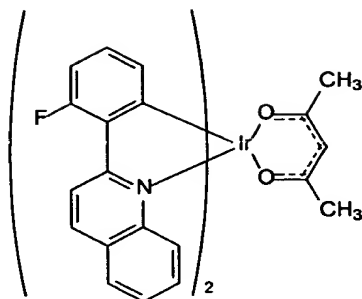

151. (new) The compound of claim 142 having the formula:

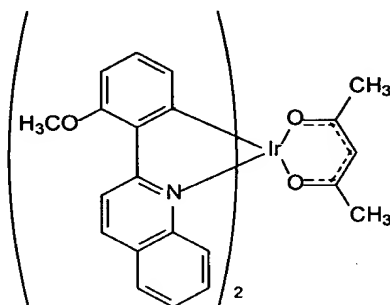

152. (new) An organic light emitting device comprising an anode, a cathode and an emissive layer, wherein the emissive layer is between the anode and cathode, and wherein the emissive layer comprises a compound of the formula:

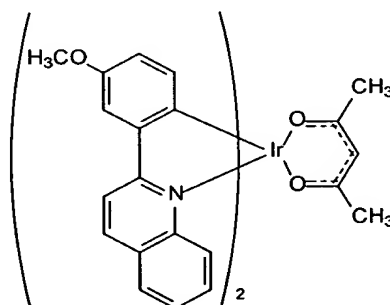

153. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:

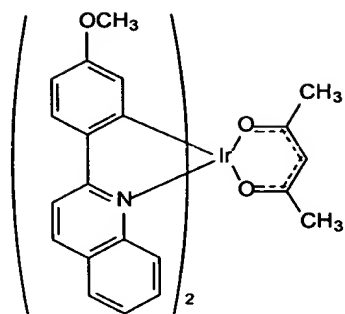

154. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:

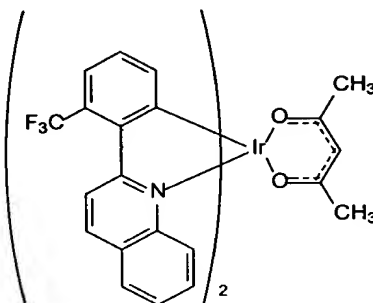

155. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:

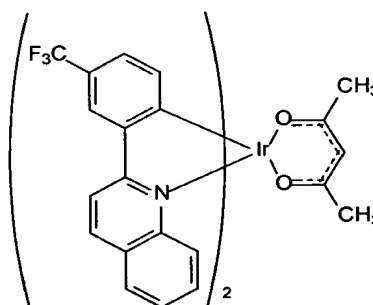

156. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:

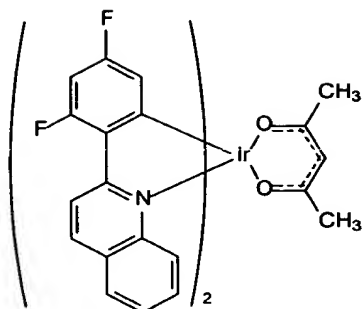

157. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:

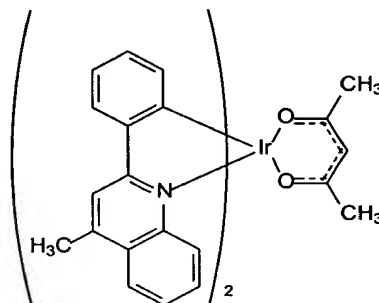

158. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:

159. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:

160. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:

161. (new) The organic light emitting device of claim 152, wherein the emissive layer comprises a compound of the formula:
